

Monday is 20th Anniversary of the Historic Legislation

Burlington County – This Monday, July 26, marks the 20th anniversary of the American with Disabilities Act (ADA) becoming law. Congressman John Adler, who has sponsored legislation such as the Lilly Ledbetter Fair Pay Act, is a strong advocate of ending discrimination in the workplace.

"Our great country was founded on the idea that every citizen should have the chance to achieve the American Dream," Congressman John Adler said. "Anyone who works hard and plays by the rules should have the opportunity to succeed. The ADA helps ensure that those with disabilities can contribute the ideas and innovations that have continually made America the greatest nation on earth."
